# Siebdruck

Der Siebdruck auf's Textil, eine weitere unserer Veredelungsmöglichkeiten Ihrer Waren. Hier erfolgt der Druck direkt auf das Textil, deshalb gibt es auch hier die verschiedensten Variationsmöglichkeiten.

#### Sprechen Sie uns einfach an!

Siebdruck auf T-Shirts, Sweat-Shirts, Kapuzenpullis, Hemden, Schals, Schürzen, pro Seite und Motiv, zzgl. Druckvorkosten:

Bei dunklen Textilien muß weiß vorgedruckt werden. Damit bekommt das Motiv brillante Farben. Für den Vordruck ist ein Sieb und eine zusätzliche Druckfarbe nötig!
